WEDDING POLICIES

Of

Lakeshore Center at Okoboji

The Lakeshore Center at Okoboji is pleased to make available our facilities for those weddings that meet our guidelines. These guidelines have been designed in order to maintain the facilities of Lakeshore Center in accordance with the standards and purposes to which they have been dedicated and in order to clarify the responsibilities of those using the camp.

THE MARRIAGE SERVICE

The marriage service is a service of worship and dedication in which two persons, a man and a woman, enter the presence of God, and before their family and community, pledge themselves to each other.

This is a holy and sacred event, and Lakeshore Center, through its Ministry Board, must ensure that the Marriage Service is one which achieves the deep sense of worship and commitment which the significance of this service requires. The Board requires that all marriage services performed on our grounds are in accordance with Presbyterian polity and The Book of Order.

WEDDING PREPARATION

Couples being married at Lakeshore Center will be expected to obtain premarital counseling either from the presiding pastor or another professional. A letter confirming the completion of counseling will be required prior to the date of the service.

It will be your responsibility to have the wedding bulletin printed.

As soon as possible, the couple must complete our Wedding Information Form. A payment of the damage/misuse deposit (\$300, \$500, or \$750) and 10% of rental cost is also due at this time. Please see Page 3 to determine correct damage deposit fee and rental cost. This advance deposit must be submitted to our office within 10 days of the request.

When a couple has submitted their Wedding Information Forms, contract, and advance deposit, their reservation has been guaranteed, and no other wedding will be scheduled within 3 hours of the first party's reserved times. This allows time for our staff to clean following the first wedding and time to prepare for the second wedding.

MUSIC

For an indoor/outdoor service, a sound system will be provided. If outside, Lakeshore Center reserves the right to not allow the system to be used in case of inclement weather or wind.

For an indoor service, a piano is available.

All music must be suitable for the marriage service. Ideally, it draws attention to God and expresses the faith of the Church. If there are questions about the appropriateness of music, please check with your pastor.

CANDLES

Candles may be used for either outdoor or indoor ceremonies. For indoor ceremonies, all candles (except the unity candle) must have protective hurricanes around them. If a unity candle is to be used in the wedding ceremony, the couple is responsible for bringing that candle, plus two tapers.

All candles are the couple's responsibility.

FACILITIES

Lakeshore Lawn, located near the cross, is the designated area for an outdoor ceremony. Depending on which package a couple has purchased, the backup location due to inclement weather may be the Chapel, Rec Hall, or Great Hall. Please see the Summary of Fees on Page 3 for details.

Any couples who have purchased the Silver or Gold Package must note that other guests may be staying in Lakeview Lodge and that the Lodge is our dining facility for all summer camps and retreat groups. The only way to have exclusive use of Lakeview Lodge is to book the Diamond Package.

Wedding parties may dress on site. Please inquire with the Lakeshore Center Office as to availability and rates.

VIDEOS AND PHOTOGRAPHY

Some couples desire to have a video-recording of their wedding service. They need to arrange for someone to do that. It is requested that this photographer consult with the pastor and use discretion in the filming of the service, so as to not distract from the ceremony.

Pictures may be taken following or preceding the ceremony.

REHEARSAL

A rehearsal is necessary for all except for the smallest informal wedding. Discuss this with the officiating pastor. It is the responsibility of the bride and groom to arrange the date and time of the rehearsal in agreement with the Lakeshore Center staff. Rehearsals may not interfere with the existing Summer Camp schedule and must work around Lakeshore Center's ministry.

MISCELLANEOUS GUIDELINES

The rooms will have had their final cleaning in preparation for the wedding by the time of the rehearsal. Please understand that the wedding party is responsible for how the facilities are left, because that is how they will remain for the wedding. Any damages will be the responsibility of the bride and groom.

There is to be no rice or confetti thrown in any building or on the Lakeshore Center grounds. However, bird seed or bubbles are permitted outside the buildings. Sparklers are not permitted.

No smoking is allowed in any part of the buildings or grounds of Lakeshore Center. (including the dressing rooms and vehicles)

No drinking of alcoholic beverages or use of illegal drugs is allowed in any part of the buildings or on the grounds of Lakeshore Center. (including the dressing rooms and vehicles)

All **accessories, equipment, and decorations** brought in for the wedding and/or reception are to be **removed** from the premises ***immediately following the wedding or reception.***

Protection of gifts received and other property of the wedding party at the wedding and/or reception are the responsibility of the wedding party.

All wedding events on Lakeshore Center grounds will **conclude by 10:00 p.m.**

SEATING CAPACITY

The Lakeview Lodge Great Hall will hold 213 people seated in rows. Seating capacity for dinner is 180 people. Cost for Lakeshore Center staff to set up chairs for an event is \$5 per chair.
