

Hello friends,

What wild times to build the Kingdom of God!

The spread of COVID-19 is currently affecting many of our communities. The staff of Lakeshore Center at Okoboji would like to keep you informed of our commitment to protecting our campers, guests, and their loved ones from unnecessary exposure.

As of today, Lakeshore will hold summer camp programs and host guest groups as planned later this year. The staff of Lakeshore Center is staying up to date on national and local conditions as well as the advice of the CDC, WHO, and local public health agencies. We have reviewed our wellness policies and put plans in place to protect the health of all of our guests and campers. Currently, we will continue to keep our office open during normal business hours to meet the needs of our community and continue the amazing ministry of Lakeshore Center at Okoboji.

Lakeshore Center will communicate any changes to policies, programming, or schedules quickly and efficiently to all of our stakeholders. If you have any questions or concerns, please feel free to call our office at 712-337-3313.

Additionally, we advise everyone to follow the [CDC guidelines](#) to slow or prevent the infection as effectively as possible. Stay well and stay safe.

Peace of Christ, as always,

Harry and Cassie Gabe
Associate Directors
Lakeshore Center at Okoboji
