ANNUAL MEN'S RETREAT

THE SPIRITUAL MAN

LAKESHORE CENTER AT OKOBOJI

Would the boy you once were be inspired by the man you've become?

Have you had a moment to consider this question or questions like this? Are you looking for an opportunity to pause and consider the intersections between spirituality and masculinity? This three-day retreat will approach masculinity through the vehicles of spirituality, psychology, and our shared lived experiences as men. Together, in community, we will create moments for pause and reflection into deepening our understanding of masculinity. Taking stock of the early messages, current societal expectations, and re-discovering or further illuminating our own spiritual compasses.

Mark Sundby, M.Div., Ph.D., L.P., and Tom Allen, PhD., with LeaderWise will facilitate this retreat to create opportunities for spiritual renewal, connection, and fellowship among men.

Check-in begins at 7pm, Friday, and check-out is 11am, Sunday. Snacks and meals will be provided. Pack comfortable clothes, outdoor winter gear, and your Bible.

Register online by going to www.lakeshorecenteratokoboji.org, Go to "Adults" under the "Retreats and Camps" tab. Then, click on "Register Now!" OR fill-in the form below then send it to Lakeshore, 1864 Hwy 86, Milford, IA 51351.
